

Table of garbage separation

As of April , 2021

Especially for household garbage, let's dispose out properly observe the rules.

- ①When you use the designated plastic bags, please make length and the size below into weight 10kg within 60cm.
 ②When the length of the garbage is more than 60cm, please be carried directly to the disposal facilities of burnable garbage or disposal facilities of unburnable garbage. The same is true when the weight of the garbage is more than 10kg.
 ③When you carry in directly, length and the size shall be less than (size included in a crusher) 2 m.

※Please ask the Minamiuonuma City Waste Management Division or the Yuzawa Town Townsman Division about items other than printing.

Name of product	Classification	One point how to dispose
1-sho bottles	Bottles	Please also use taking over of a store.
1-to can	Any other unburnable garbage	Please use up contents. Please consult with a store on the thing containing contents.
Abacus	Burnable garbage	
Accessories (metal)	Any other unburnable garbage	
Accessories (plastic)	Burnable garbage	
Accordion	Unburnable bulky garbage	Please carry in directly.
Accordion curtain	Unburnable bulky garbage	Please carry in directly.
Ad inserts	Used paper	Please bind with a string in the cross way.
Adhesive tape	Burnable garbage	
Agricultural chemicals container (glass)	Any other unburnable garbage	Please use up contents.
Agricultural chemicals container (plastic)	Burnable garbage	Please use up contents.
Agricultural chemicals, dangerous drug	Processing difficult materials	Please request agricultural cooperative association or store.
Agricultural multi seat	Burnable bulky garbage	Less than 60 cm is "burnable garbage."
Air injector (metal)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Air injector (plastic)	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Air purifier	Unburnable bulky garbage	Please carry in directly.
Air-Conditioners	Home electronics recycling subject products	Please request a store or a special contractor.
Alarm clock	Any other unburnable garbage	
Album (cardboard, plastic)	Burnable garbage	
Alkaline battery	Hazardous garbage	
Aluminum foil core and outer box	Used paper	Except paper, please bundle with a string.
Aluminum foil, Pot container of aluminum foil	Any other unburnable garbage	
Aluminum sash	Unburnable bulky garbage	Please carry in directly.
Amplifier	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Animal carcasses	Burnable garbage	An inquiry is required. Please also use cremation of a pet.
Antenna (for televisions)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Artificial flowers (plastic)	Burnable garbage	
Ash	Burnable garbage	
Ashtray (glass, metal, pottery)	Any other unburnable garbage	
Astronomical telescope	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Attache case (metal)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Attache case (plastic)	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Attan plate	Unburnable bulky garbage	Please carry in directly.
Audio equipment (such as a tuner)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Audio rack (wooden, plastic)	Burnable bulky garbage	Please carry in directly.
Awl	Any other unburnable garbage	Please wrap the tip in a newspaper.
Ax	Unburnable bulky garbage	Please carry in directly.
Baby bath (toddler bath, ceramic)	Unburnable bulky garbage	Please carry in directly.
Baby bath (toddler bath, plastic)	Burnable bulky garbage	Please carry in directly.
Baby bottles (glass)	Any other unburnable garbage	
Baby bottles (plastic)	Burnable garbage	
Baby rack (metal)	Unburnable bulky garbage	Please carry in directly.

Name of product	Classification	One point how to dispose
Baby rack (wooden, plastic)	Burnable bulky garbage	Please carry in directly.
Bag (leather, vinyl)	Burnable garbage	
Bag (leather, vinyl)	Burnable garbage	The metallic portion is "Any other unburnable garbage."
Bag (metal)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Bags, such as potato chips	Burnable garbage	
Ball (sports, playground equipment)	Burnable garbage	
Ballpoint pen (metal)	Any other unburnable garbage	
Ballpoint pen (plastic)	Burnable garbage	
Bamboo blind	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm.
Barbecue cooker	Unburnable bulky garbage	Please carry in directly.
Barrel (wooden, plastic)	Burnable bulky garbage	Please carry in directly.
Baseball	Burnable garbage	
Baseball mask (metal)	Any other unburnable garbage	
Basin (metal)	Any other unburnable garbage	
Basin (plastic)	Burnable garbage	
Basketball	Burnable garbage	
Bat (baseball, metal)	Unburnable bulky garbage	Please carry in directly.
Bat (baseball, wooden)	Burnable bulky garbage	Please carry in directly.
Bat (food case)	Burnable garbage	
Bath cover (metal)	Unburnable bulky garbage	Please carry in directly.
Bath cover (plastic)	Burnable bulky garbage	Please carry in directly.
Bath heater	Can not be accepted	Please request special contractor.
Bath mat	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm.
Bath tub (FRP, enamel)	Can not be accepted	Please request special contractor.
Bathroom rug	Burnable garbage	
Bathroom scale	Any other unburnable garbage	
Bathroom vanity	Unburnable bulky garbage	Please carry in directly.
Beach umbrella	Unburnable bulky garbage	Please carry in directly.
Bed (metal)	Unburnable bulky garbage	Please carry in directly.
Bed (wooden)	Burnable bulky garbage	Please carry in directly.
Beer bottle	Bottles	Please also use taking over of a store.
Beer bottle lid	Any other unburnable garbage	
Beer case	Burnable garbage	Please also use taking over of a store.
Belt	Burnable garbage	The metallic portion is "Any other unburnable garbage."
Bench (metal)	Unburnable bulky garbage	Please carry in directly.
Bench (wooden, plastic)	Burnable bulky garbage	Please carry in directly.
Bicycle	Unburnable bulky garbage	Please carry in directly.
Bicycle-drawn cart	Unburnable bulky garbage	Please carry in directly.
Binder	Burnable garbage	The metallic portion is "Any other unburnable garbage."
Binoculars	Any other unburnable garbage	
Blackboard	Burnable bulky garbage	Please carry in directly.
Blade of grass mower	Any other unburnable garbage	Please wrap the portion of an edge in a newspaper.
Blanco	Unburnable bulky garbage	Please carry in directly.
Blankets, Electric blankets	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm. Code portion is "Any other unburnable garbage"
Blind (metal)	Unburnable bulky garbage	Please carry in directly.
Blind (plastic)	Burnable bulky garbage	Please carry in directly.
Block	Processing difficult materials	Please request special contractor.
Blocks	Burnable garbage	
Blue sheet	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm.

Name of product	Classification	One point how to dispose
Boards (metal)	Unburnable bulky garbage	Please carry in directly (less than 2 m in length). Less than 60 cm is "Any other unburnable garbage."
Boards (wooden, plastic), wood, round bar	Burnable bulky garbage	Please carry in directly (less than 2 m in length). Less than 60 cm is "burnable garbage."
Body warmer (disposable)	Burnable garbage	
Body warmer (Metal)	Any other unburnable garbage	
Boiler	Can not be accepted	Please request special contractor.
Bolts, Screws	Any other unburnable garbage	
Bon (Metal)	Any other unburnable garbage	
Bon (wooden, plastic)	Burnable garbage	
Book	Used paper	Please bind with a string in the cross way.
Book stand (metal)	Any other unburnable garbage	
Book stand (plastic)	Burnable garbage	
Books	Used paper	Please bind with a string in the cross way.
Bookshelf (Metal)	Unburnable bulky garbage	Please carry in directly.
Bookshelf (wooden)	Burnable bulky garbage	Please carry in directly.
Boots	Burnable garbage	
Borer (tool)	Any other unburnable garbage	Please wrap the portion of an edge in a newspaper.
Bottle (beverage, food)	Bottles	Please remove cork and lid, rinse inside and drain water.
Bottle lid, crown (metal)	Any other unburnable garbage	
Bottle of oil (plastic)	Burnable garbage	Please use up contents.
Bowl (crocery)	Any other unburnable garbage	
Bowl (for kitchen, metal)	Any other unburnable garbage	
Bowl (for kitchen, plastic)	Burnable garbage	
Bowling Ball	Unburnable bulky garbage	Please carry in directly.
Bran	Burnable bulky garbage	Please carry in directly.
Branches and leaves of Garden tree	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Branches tree (pruned branches)	Burnable bulky garbage	Please carry in directly (less than 2 m in length). Less than 60 cm is "burnable garbage."
Brazier	Unburnable bulky garbage	Please carry in directly.
Bread bag	Any other plastic food tray/container garbage	The garbage with dirt is "burnable garbage."
Bread machine (Home bakery)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Brick	Processing difficult materials	Please request special contractor.
Broken bottle, glass, crocery	Any other unburnable garbage	Please wrap in newspaper, and write "glass" etc.
Broom (metallic part of broomstick)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Broom (wooden, plastic)	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Brush (metal)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Brush (wooden, plastic)	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Bucket (metal)	Any other unburnable garbage	
Bucket (plastic)	Burnable garbage	
Buddhist altar	Burnable bulky garbage	Please carry in directly.
Buddhist instruments (metal)	Any other unburnable garbage	
Buddhist instruments (wooden)	Burnable garbage	
Bunk bed (wooden, plastic)	Burnable bulky garbage	Please carry in directly.
Business card	Used paper	Please put into a paper bag, and bundle.
Butter, Margarine container	Burnable garbage	If dirt is removed, it is "Food tray/container garbage."
Button batteries	Hazardous garbage	
Cage (metal)	Any other unburnable garbage	
Calculator	Any other unburnable garbage	
Calendar	Used paper	Please remove metallic portion. It is "Any other unburnable garbage."
Camera, Digital camera	Any other unburnable garbage	

Name of product	Classification	One point how to dispose
Can of oil (Cans of cooking oil)	Cans	Please use up contents.
Candle	Burnable garbage	
Candle Stand (metal, ceramic)	Any other unburnable garbage	
Cane (metal)	Unburnable bulky garbage	Please carry in directly.
Cane (wooden, plastic)	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm.
Cans (beverage, food), Canned cans	Cans	Please rinse inside and drain water.
Cans (steel cans, aluminum cans)	Cans	Please rinse inside and drain water.

Incandescent light bulb	Any other unburnable garbage	
Ink ribbon	Burnable garbage	
Inkjet cartridge	Burnable garbage	Please also use the recovery box of a store.
Inkstone	Any other unburnable garbage	
Insect cage (metal)	Any other unburnable garbage	
Insect cage (plastic)	Burnable garbage	
Insect repellent, Insect repellent case	Burnable garbage	
Insecticide can (spray can)	Cans	Please open a hole used up.
Instant food bag (plastic)	Any other plastic food tray/container garbage	The garbage with dirt is "burnable garbage."
Instantaneous water heater (kitchen)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Intercom	Any other unburnable garbage	
Iron	Any other unburnable garbage	
Iron dumbbell	Any other unburnable garbage	Please be carried directly what is 10kg or more.
Iron plate	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Iron pot	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.

Name of product	Classification	One point how to dispose
Ironing board (no metal)	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Ironing board(with metal parts)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Japanese foot warmer	Any other unburnable garbage	
Jelly, pudding container	Any other plastic food tray/container garbage	Please wash and dry. That from which dirt does not remove is "burnable garbage."
Juice carton	Used paper	Please open and bundle with a string. The garbage with dirt is "burnable garbage."
Juicer mixer	Any other unburnable garbage	
Juices, liquor bottle	Bottles	Please rinse inside and drain water.
Juices, liquor can	Cans	Please rinse inside and drain water.
Kerosene plastic tank	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Kerosene pump (electric)	Any other unburnable garbage	Please remove the battery. It is "Hazardous garbage."
Kerosene pump (manual)	Burnable garbage	
Ketchup container	Burnable garbage	
Kettle	Any other unburnable garbage	
Key	Any other unburnable garbage	
Keyboard (for playing, musical instruments)	Unburnable bulky garbage	Please carry in directly.
Keyboard (PC)	Any other unburnable garbage	
Keychain (Metal)	Any other unburnable garbage	
Kick skater (board)	Unburnable bulky garbage	Please carry in directly.
Kickboard	Burnable garbage	
Kimono, Obi	Burnable garbage	
Kitchen counter (metal)	Unburnable bulky garbage	Please carry in directly.
Kitchen counter (wooden)	Burnable bulky garbage	Please carry in directly.
Kitchen knife	Any other unburnable garbage	Please wrap the portion of an edge in a newspaper.
Kitchen rack (metal)	Unburnable bulky garbage	Please carry in directly.
Kitchen rack (plastic)	Burnable bulky garbage	Please carry in directly.
Kitchen wagon	Unburnable bulky garbage	Please carry in directly.
Knapsack	Burnable garbage	
Knife (including Kitchen knife, Fruit knife)	Any other unburnable garbage	Please wrap the portion of an edge in a newspaper.
Knife sharpener	Any other unburnable garbage	
Knitting machine	Unburnable bulky garbage	Please carry in directly.
Kotatsu	Unburnable bulky garbage	Please carry in directly.
Kotatsu futon	Burnable bulky garbage	Please carry in directly.
Kotatsu mat	Burnable bulky garbage	Please carry in directly.
Kotatsu plate	Burnable bulky garbage	Please carry in directly.
Lacquerware	Burnable garbage	
Ladder (metal)	Unburnable bulky garbage	Please carry in directly.
Ladder (wooden)	Burnable bulky garbage	Please carry in directly.
Ladle (metal)	Any other unburnable garbage	
Ladle (metal)	Any other unburnable garbage	
Ladle (wooden, plastic)	Burnable garbage	
Ladle (wooden, plastic)	Burnable garbage	
Lamennais bottle	Bottles	Please rinse inside and drain water.
LAN cable	Any other unburnable garbage	
Laser disc	Burnable garbage	
Laser disc player	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
LCD TV (plasma)	Home electronics recycling subject products	Please request a store or a special contractor.
Learning desk (metal)	Unburnable bulky garbage	Please carry in directly.
Learning desk (wooden)	Burnable bulky garbage	Please carry in directly.
Leather products	Burnable garbage	

Name of product	Classification	One point how to dispose
Leaves	Burnable garbage	
LED light bulbs	Hazardous garbage	
Legless chair (metal, metal pipe filled)	Unburnable bulky garbage	Please carry in directly.
Legless chair (wooden)	Burnable bulky garbage	Please carry in directly.
Leisure Sheet (padded)	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm.
Leisure sheet (thin)	Burnable garbage	Please cut within 60 cm.
Letter paper	Used paper	Please bind with a string in the cross way.
Lid of 1-sho bottle (metal)	Any other unburnable garbage	
Lid of the can	Cans	Please rinse inside and drain water.
Lid of the can of juice	Cans	Back lid is a cork or a plastic are "Any other unburnable garbage."
Light bulb (incandescent light bulb, glow lamp)	Any other unburnable garbage	LED light bulb is "Hazardous garbage."
Light bulb (LED)	Hazardous garbage	
Lighters (disposable, plastic)	Burnable garbage	Please use up contents.
Lighters (metal)	Any other unburnable garbage	Please use up contents.
Lighting equipment (metal)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags. Fluorescent light and fluorescence tube are "Hazardous garbage."
Lighting equipment (plastic)	Burnable garbage	Please carry in directly what does not go into the designated plastic bags. Fluorescent light and fluorescence tube are "Hazardous garbage."
Lighting equipment shade (metal)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Lighting equipment shade (wooden, plastic)	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Lipstick container (metal)	Any other unburnable garbage	
Lipstick container (plastic)	Burnable garbage	
Liquor bottle	Bottles	1-sho bottles, please also use the receipt of the dealer.
Liquor pack	Used paper	Except paper, please open and bundle with a string. The garbage with dirt is "burnable garbage."
Lithium battery	Hazardous garbage	
Locker (metal)	Unburnable bulky garbage	Please carry in directly.
Loudspeaker (metal)	Any other unburnable garbage	Please remove the battery. It is "Hazardous garbage."
Low table	Burnable bulky garbage	Please carry in directly.
Lunch box (metal)	Any other unburnable garbage	
Lunch box (plastic)	Burnable garbage	
Lunch container (take-out)	Any other plastic food tray/container garbage	Please wash and dry. That from which dirt does not remove is "burnable garbage."
Machine oil	Processing difficult materials	Please request special contractor.
Machine to warm the liquor	Any other unburnable garbage	
Magazine (Mixed paper)	Used paper	Please bind with a string in the cross way.
Magic (glass, metal)	Any other unburnable garbage	
Magic (Plastic)	Burnable garbage	
Magnet	Any other unburnable garbage	
Magnet	Any other unburnable garbage	
Magnetic mat	Burnable bulky garbage	
Magnifying glass (glass, metal)	Any other unburnable garbage	
Magnifying glass (plastic)	Burnable garbage	
Mahjong tile	Burnable garbage	
Mallet	Burnable garbage	
Mallet (large)	Burnable bulky garbage	Please carry in directly.
Manganese batteries	Hazardous garbage	
Margarine container	Burnable garbage	If dirt is removed, it is "Food tray/container garbage."
Massage chair	Unburnable bulky garbage	Please carry in directly.
Mat	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm.
Matchstick	Burnable garbage	It restricts to a used thing.

Name of product	Classification	One point how to dispose
Mattress (Mattress containing a spring)	Unburnable bulky garbage	Please carry in directly.
Mattress (Mattress without a spring)	Burnable bulky garbage	Please carry in directly.
Mayonnaise container	Burnable garbage	
Mayonnaise exterior	Any other plastic food tray/container garbage	
MD (including case)	Burnable garbage	
MD player	Any other unburnable garbage	
Measure (involvement type, metal)	Any other unburnable garbage	
Mechanical pencil (metal)	Any other unburnable garbage	
Mechanical pencil (plastic)	Burnable garbage	
Medicine (tablets, granules, capsules)	Burnable garbage	
Medicine container (bottles, made of glass)	Bottles	Please rinse inside and drain water.
Medicine container (plastic)	Burnable garbage	
Megaphone (Plastic)	Burnable garbage	
Mercury sphygmomanometer	Hazardous garbage	Please dispose putting into a case.
Mercury thermometer	Hazardous garbage	Please dispose putting into a case.
Metals, Scrap metal	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Microphone	Any other unburnable garbage	
Microphone stand	Unburnable bulky garbage	Please carry in directly.
Microscope	Any other unburnable garbage	
Microwave	Unburnable bulky garbage	Please carry in directly.
Microwave oven	Unburnable bulky garbage	Please carry in directly.
Milk carton	Used paper	Please rinse, dry and open inside and bundle with a string. The garbage with dirt is "unburnable garbage."
Milk powder cans	Cans	Please rinse inside and drain water.
Milk powder cans lid (plastic)	Any other plastic food tray/container garbage	The garbage with dirt is "burnable garbage."
Mini component	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Miniature bulb	Any other unburnable garbage	
Mirror (Mirror stand, Figure mirror)	Unburnable bulky garbage	Please carry in directly.
Mirror (Small mirror and hand mirror)	Any other unburnable garbage	
Mirror stand (Dresser)	Unburnable bulky garbage	Please carry in directly.
Mist machine (backpack type disinfection machine)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Mitt (Globe)	Burnable garbage	
Mixer	Any other unburnable garbage	
Modem (for Internet)	Any other unburnable garbage	
Mop (cloth, sponge part)	Burnable garbage	
Mop (with handle, metal)	Unburnable bulky garbage	Please carry in directly.
Mop (with handle, plastic)	Burnable bulky garbage	Please carry in directly.
Mortar (wooden)	Burnable bulky garbage	Please carry in directly.
Motor (for playground equipment, small)	Any other unburnable garbage	
Motor (large)	Processing difficult materials	Please request special contractor.
Motorcycle	Processing difficult materials	Please request a store or a special contractor.
Motorcycle	Processing difficult materials	Please request a store or a special contractor.
Mouse (PC)	Any other unburnable garbage	
Mouthwash container (Plastic)	Burnable garbage	
Mower	Unburnable bulky garbage	Please carry in directly.
Multi, vinyl sheet	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm.
Music box	Any other unburnable garbage	
Nail	Any other unburnable garbage	
Nail clippers	Any other unburnable garbage	
Nail polish bottle	Any other unburnable garbage	
Nameplate (stone, metal, pottery)	Any other unburnable garbage	

Name of product	Classification	One point how to dispose
Nameplate (wooden, plastic)	Burnable garbage	
Natto container	Any other plastic food tray/container garbage	Please wash and dry. That from which dirt does not remove is "burnable garbage."
Needle	Any other unburnable garbage	Please wrap or stab the newspaper.
Needle (for insect collecting)	Any other unburnable garbage	Please wrap or stab the newspaper.
Needle (medical)	Can not be accepted	Please request medical institutions, pharmacies.
Needle point holder	Any other unburnable garbage	Please wrap the portion of a needle in a newspaper.
Nest of boxes	Burnable garbage	
Net (fruit nets)	Any other plastic food tray/container garbage	The garbage with dirt is "burnable garbage."
Newspaper	Used paper	Please bind with a string in the cross way. Please do not mix Ad inserts.
Nickel-cadmium batteries, Nickel-metal hydride battery	Hazardous garbage	
Noodles bag	Any other plastic food tray/container garbage	The garbage with dirt is "burnable garbage."
Notebook	Used paper	Please bind with a string in the cross way.
Notebook Computer	PC recycling subject products	Please request a store or a special contractor.

Plastic bottles	Food tray/container garbage (Plastic bottles)	Please wash and dry. That from which dirt does not remove is "burnable garbage." Remove a lid and a label and they are "Any other plastic food tray/container garbage."
Plastic bottles cap	Any other plastic food tray/container garbage	The garbage with dirt is "burnable garbage."
Plastic bottles label	Any other plastic food tray/container garbage	
Plastic bucket	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Plastic model	Burnable garbage	
Plastic products	Burnable garbage	
Plastic shopping bag	Any other plastic food tray/container garbage	The garbage with dirt is "burnable garbage."
Plastic tank	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Pliers	Any other unburnable garbage	
Portable toilet	Burnable bulky garbage	Please carry in directly.
Post (household, metal)	Any other unburnable garbage	
Postcard	Used paper	Crimp postcard is "burnable garbage."
Pot (Thermos)	Any other unburnable garbage	
Potty (Plastic)	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Poultice	Burnable garbage	
Pounding-steamed-rice machine	Any other unburnable garbage	Please carry directly in the garbage with greater than 10 kg in weight.
Pram (stroller)	Unburnable bulky garbage	Please carry in directly.

Name of product	Classification	One point how to dispose
Printer (for home use)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Pruning scissors	Any other unburnable garbage	
Pump (for bath)	Any other unburnable garbage	
Pump (Submersible pump)	Processing difficult materials	Please request special contractor.
Push car	Unburnable bulky garbage	Please carry in directly.
Racket (metal)	Any other unburnable garbage	
Racket (wooden, carbon, plastic)	Burnable garbage	
Radio, Boombox	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Range guard, Stove cover (metal)	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Range table (metal)	Unburnable bulky garbage	Please carry in directly.
Range table (wooden, plastic)	Burnable bulky garbage	Please carry in directly.
Razors (metal)	Any other unburnable garbage	Please wrap the portion of an edge in a newspaper.
Razors (plastic)	Burnable garbage	Please wrap the portion of an edge in a newspaper.
Record board	Burnable garbage	
Recorder (Whistle)	Burnable garbage	
Refrigerant	Burnable garbage	
Refrigerator, Freezer	Home electronics recycling subject products	Please request a store or a special contractor.
Reinforced plastic article	Processing difficult materials	Please request special contractor.
Remote controller	Any other unburnable garbage	Please remove the battery. It is "Hazardous garbage."
Rice bag (30 kg paper bag)	Used paper	Please bind with a string in the cross way.
Rice bin (metal)	Unburnable bulky garbage	Please carry in directly.
Rice cooker	Any other unburnable garbage	Please carry in directly what does not go into the designated plastic bags.
Rice scoop (wooden, plastic)	Burnable garbage	
Ricer (rice bin)	Unburnable bulky garbage	Please carry in directly.
Ridge sheet	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm.
Roller skate	Any other unburnable garbage	
Root of tree	Burnable bulky garbage	Please carry in directly. (2 m in length x less than 50 cm in diameter)
Rope	Burnable garbage	Please cut within 60 cm.
Rubber band	Burnable garbage	
Rubber boat	Burnable bulky garbage	Please carry in directly.
Rubber hose	Burnable garbage	Please cut within 60 cm. Please carry in directly what can not cut.
Rubber mat	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Rubber products (Rubber gloves, Rubber boots etc.)	Burnable garbage	
Rucksack	Burnable garbage	
Ruler (metal)	Any other unburnable garbage	
Ruler (plastic, wooden)	Burnable garbage	
Running machine	Unburnable bulky garbage	Please carry in directly.
Safe (Fireproof safe)	Processing difficult materials	Please request special contractor.
Safe (handbag type)	Any other unburnable garbage	
Safety pin	Any other unburnable garbage	
Salad oil	Burnable garbage	Please use the coagulant or be soaked cloth or paper. Please also use used cooking oil collection.
Sand	Can not be accepted	Please request engineering-works contractor.
Sand for pets (commercially available)	Burnable garbage	
Sandals	Burnable garbage	
Sanitary items	Burnable garbage	
Sash	Unburnable bulky garbage	Please carry in directly.
Sauce container	Burnable garbage	
Saw	Any other unburnable garbage	Please wrap the portion of an edge in a newspaper.
Scale	Any other unburnable garbage	

Name of product	Classification	One point how to dispose
Scale	Any other unburnable garbage	
Scanner	Any other unburnable garbage	
School bag	Burnable garbage	
Scissors	Any other unburnable garbage	
Scoop (metal)	Unburnable bulky garbage	Please carry in directly.
Scoop (plastic)	Burnable garbage	Please carry in directly what does not go into the designated plastic bags.
Scooter (Bicycle with a motor)	Processing difficult materials	Please request a store or a special contractor.
Scotch tape cutter board (the weights include)	Any other unburnable garbage	
Screen door	Unburnable bulky garbage	Please carry in directly.
Screw, Bolt	Any other unburnable garbage	
Scrubbing brush (Kamenoko, sponge, plastic)	Burnable garbage	
Scrubbing brush (metal)	Any other unburnable garbage	
Seasoning container (tube type)	Burnable garbage	
Seasoning empty bottle	Bottles	Please rinse inside and drain water.
Seedling box	Burnable garbage	Please request the object for agriculture from agricultural cooperative association.
Seedlings pot	Burnable garbage	Please request the object for agriculture from agricultural cooperative association.
Sewing machine (desktop)	Any other unburnable garbage	Please carry directly in the garbage with greater than 10 kg in weight.
Sewing machine (step type)	Unburnable bulky garbage	Please carry in directly.
Shampoo, Rinse container	Burnable garbage	
Shampoo, Rinse refill container	Burnable garbage	
Shaver (electric)	Any other unburnable garbage	
Sheet glass	Unburnable bulky garbage	Please carry in directly. Less than 60 cm is "unburnable garbage."
Sheets	Burnable bulky garbage	It will be "burnable garbage" if it cuts within 60 cm.
Shelf, Rack (Metal)	Unburnable bulky garbage	Please carry in directly.
Shelf, Rack (wooden, plastic)	Burnable bulky garbage	Please carry in directly.
Shells	Burnable garbage	
Shidashi lunch box	Any other plastic food tray/container garbage	Please wash and dry. That from which dirt does not remove is "burnable garbage."
Shirt	Burnable garbage	
Shochu bottle (plastic)	Food tray/container garbage (Plastic bottles)	Please wash and dry. That from which dirt does not remove is "burnable garbage." Remove a lid and a label and they are "Any other plastic food tray/container garbage."
